ECE AP 10
Repeating Courses or Labs for Credit

Purpose

The purpose of this policy is to set guidelines for students who repeat a course or lab for credit.

Policy

Students who repeat a course and/or lab for credit, whether it is for course failure or another reason, should repeat all assignments, activities, and assessments. Students should not submit assignments or measurements completed during a prior semester for credit within the repeated course.

Effective Date: April 4, 2025.
